FEEDING DIRECTIONS

F

LIMITATION:

CAUTION: Do not allow horses or other equines access to formulations containing Monensin. Ingestion of Monensin by equines has been fatal. Complete feeds - Monensin-medicated cattle feed safe for use in cattle only. Do not feed to lactating dairy cows. Consumption by unapproved species may result in toxic reactions. Do not exceed the levels of Monensin recommended in the feeding directions, as reduced average daily gains may result.
