**CAUTION:** Do not allow horses or other equines access to formulations containing Monensin. Ingestion of Monensin by equines has been fatal. Feeding undiluted or mixing errors resulting in high concentrations of Monensin has been fatal in cattle and could be fatal in goats. Consumption by unapproved species may result in toxic reaction. Do not feed to lactating goats.

**WARNING:** DO NOT FEED TO SHEEP. THIS PRODUCT CONTAINS COPPER.

**FEEDING DIRECTIONS:** Feed continuously as the sole concentrate to growing and finishing goats with 40% to 70% of the diet as a good quality forage.
